Transaction Terms

1. This trade confirmation is furnished solely by DriveWealth, LLC, a registered broker-dealer, for transactions in your brokerage account held with DriveWealth, LLC (DriveWealth or Us). DriveWealth is a registered clearing firm and custodian, and is affiliated with DriveWealth Institutional LLC, DriveLoyalty, LLC and DriveAdvisory, LLC. Unless otherwise noted, DriveWealth is independently owned and operated from your introducing broker or investment adviser, whose name appears on your statement.
2. If you find any errors or omissions on this trade confirmation, please call your broker or investment adviser immediately using the contact information provided by your broker or investment adviser, or DriveWealth at support@drivewealth.com. To protect your rights, you must also notify us in writing. You should notify us immediately upon discovery of the error, but in any event no later than 10 days after you receive the confirmation. This confirmation will be deemed conclusive after 10 days. DriveWealth will not be liable for any losses that occur because of your failure to promptly notify us of an error.
3. All transactions are subject to the rules, regulations, requirements and customs of the Federal Reserve Board, the exchange or market (and its clearing agency, if any) where executed, any association whose rules and regulations govern transactions in said market, and your account agreement(s) with DriveWealth. We will furnish, upon written request, the date and time when this transaction took place and the name of the other party to the transaction. Federal regulations require that all brokerage firms report sales transactions to the IRS unless the order was placed through an IRA, corporate or trustee account.
4. Securities purchased by you or held by us may be hypothecated and/or commingled with securities carried for other customers.
5. Payment for all purchases or delivery of securities sold is due promptly and in any event no later than the settlement date. We reserve the right to liquidate securities or otherwise cover a position without notice at any time, including prior to settlement date, when in our judgment the value of the collateral is in jeopardy or the account poses a risk to the firm. You will be held responsible for any resulting loss.
6. Any commission charged to you in this transaction may be more or less than commissions charged to or by others in similar transactions. The source and amount of other commissions received in connection with this transaction will be furnished on request.
7. The capacity indicates the manner in which your broker acted in the transaction.
8. A line labeled "Other fees/credits" appears on all trade confirmations. Under certain circumstances, a portion of any included fees or credits may reflect adjustments to executed values that result from rounding conventions, such as where executions of more than two decimal-place prices are rounded to two decimal places to harmonize potential differences between calculations performed at more than two decimal places and those same calculations performed at two decimal places. Despite the appearance of such a "fee" or "credit" on any trade confirmation, you will receive the full principal value of your order.

This statement is computed for payment by bank draft on settlement date. If payment is made at a later date, additional interest to date of payment will be charged.

Payment for Order Flow Disclosure

Your broker/dealer and/or DriveWealth, LLC may receive remuneration, compensation, or consideration on this transaction for directing orders in securities to particular broker/dealers or market centers for execution. The source and nature of any compensation received in connection with your particular transaction will be disclosed upon written request to your broker/dealer. Please review your broker/dealers annual disclosure on payment for order flow policies and order routing policies.
